

GROUP ACCOUNTING AND CONSOLIDATION EXPERT (M/F)

In this responsible position as group accountant you will be part of our company's accounting department and in charge of the group-wide consolidation of our subsidiaries. You will ensure smooth operations as well as high quality company key figures. You will work closely with the international units and support them in IFRS accounting as well as in the creation and system-related implementation of accounting processes and structures. Challenging and exciting projects will ensure a diversified field of responsibility

TASKS

- Active collaboration in the consolidation of the TGW group incl. assessment of figures for the annual accounts
- First contact person for the international units concerning company bookkeeping problems
- Collaboration in the development of the field
- Implementation of new specifications and standards within the group (e.g. IFRS updates)
- Decisive role in special projects

REQUIREMENTS

- Completed commercial education (HAK, FH or university) with focus on balance accounting, bookkeeping or similar
- Several years of relevant job experience within an industrial environment or in the field of auditing
- Sound knowledge of IFRS and consolidation
- Joy in working internationally as well as excellent command of German and English
- Communicative, motivated personality with an accurate, structured and analytical way of working

WE OFFER

The minimum annual gross pay for this position is 41,542 Euros according to the collective agreement. A possible overpay depends on your individual job experience and qualification.

Furthermore, we offer flexible working hours, a cooperative working environment with attractive benefits and exciting perspectives.

Use your know-how and skills for an exciting job within a dynamic company culture and start your career in a diversified field of responsibility in a motivated environment.

Living Logistics. Promoting Careers.
