TGW Logistics Receives Best Recruiters Gold Award for the Eighth Consecutive Year

- **The technology company headquartered in Marchtrenk has taken first place in the Intralogistics/Automation category for the eighth consecutive year.**
- **As a foundation-owned company, TGW Logistics offers long-term stability as an employer and business partner.**
- **The intralogistics specialist employs more than 5,000 people worldwide, including 2,600 in Austria.**

(Marchtrenk, Austria, November 18, 2026) TGW Logistics has received the Best Recruiters Gold Award for the eighth consecutive year. The technology company headquartered in Marchtrenk once again impressed with the quality of its recruiting activities and its consistent focus on creating a positive candidate experience, from the first interaction with the company through to successful onboarding. Best Recruiters is the largest recruiting study in the German-speaking region. Each year, around 1,500 employers in Austria, Germany, Switzerland and Liechtenstein are assessed based on scientifically developed criteria.

Today, more than 5,000 people across three continents work for TGW Logistics, including 2,600 at its Upper Austrian locations in Marchtrenk and Wels. They design and build highly automated fulfillment centers and provide ongoing support throughout their operation. Customers range from global brands such as Mango, Puma and Zalando to numerous mid-sized companies. TGW Logistics generates 95 percent of its sales outside Austria. In business year 2025/26, revenue increased by 29 percent to 1.37 billion euros.

Transparent Application Process and Respectful Communication

“This award highlights the professionalism and commitment of TGW Logistics. Open, respectful communication and providing candidates with personal support throughout the recruiting process are very important to us,” says Astrid Heuzonter, Senior Vice President People and Culture at TGW Logistics. “Alongside the role and its responsibilities, we also highlight the international career opportunities available within our company.”

Supporting Work-Life Balance

Benefits at TGW Logistics include flexible working hours and remote work options, a modern working environment, fitness facilities, health and wellness programs, as well as a range of additional benefits and discounts.
TGW Logistics also offers several initiatives designed to help employees balance their professional and personal lives. These include the company’s multiple award-winning TGW Zwergennest childcare center as well as childcare throughout the summer vacation period.

Long-Term Stability and Social Responsibility

Business success and social responsibility go hand in hand at TGW Logistics. As a foundation-owned company, TGW Logistics cannot be sold, providing a strong foundation for long-term stability as an employer and business partner.
Two-thirds of the company’s profits remain within TGW Logistics and are reinvested in employees, infrastructure, and research and development. The remaining third is distributed to the company’s owner, the TGW Future Private Foundation, which in turn allocates at least 30 percent of these funds to support the charitable initiatives of TGW Future Wings. These initiatives focus on the holistic personal development of children and young people.

About TGW Logistics

TGW Logistics is one of the leading international suppliers of material handling solutions. For over 50 years, the Austrian specialist has implemented highly automated systems for customers, including brands from A as in Adidas to Z as in Zalando.
As systems integrator, TGW Logistics plans, produces, implements and services complex logistics centers - from mechatronic products and robots to control systems and software.

TGW Logistics has subsidiaries in Europe, Asia and the US and employs more than 5,000 people worldwide. In the 2025/26 business year, the company generated a revenue of 1.37 billion euros.
