

PLC COMMISSIONING ENGINEER (M/F/D)

Would you like to travel the world and be part of an internationally successful, growing company? We at TGW are ready to invest in your professional and personal development! During a comprehensive training phase you will get to know our different product lines and prepare the first systems in-house.

Afterwards you will travel to our renowned customers worldwide (such as Zalando, Adidas, Puma, Kärcher) and commission the prepared plants. You will be supported by a team of experienced colleagues. **WHAT YOU MOVE WITH US**

- You prepare the software (Siemens S7) together in a team and test it in-house with the help of a 3D emulation
- Afterwards you will commission our systems at our customers' premises (mechatronic and software technology)
- After interface and system tests you will accompany our customers during the start-up of the system
- Back in Teunz you hand over your customer project to Customer Support
- After a successful follow-up the next exciting project is waiting for you

WHAT CONVINCES US

- Training in a technical profession or comparable qualification
- Certification of electricians
- Basic knowledge of PLC programming (Step 7 or TIA-Portal) and bus systems (Profinet or Profibus)
- Willingness to travel (approx. 75% - 90% mainly in the German/European area)
- Good English language skills are an advantage

WHAT WE OFFER YOU

- Permanent employment with attractive remuneration and 13 monthly salaries
- Flexible working hours and full overtime compensation, allowance model for external activities
- A secure job in a future-oriented growth market
- Structured familiarisation with the mentoring model and support from experienced colleagues
- Flat hierarchies with open doors in a collegial working environment
- Staff restaurant, free fruit, staff discounts and much more
- Versatile development and promotion opportunities through structured personnel development
